Montreal, QC | 514 974 4359 | shawjeremiahshaw@gmail.com | www.jeremiah-shaw.com

EXPERIENCE

Aylo, Montreal, Quebec — *Senior Visual Composer/VFX Lead, 2020-Present*

Setting and maintaining the workflow standards for visual effects and packaging. Delegating projects effectively and providing the necessary training. Ensuring that deadlines are met. Reporting on the progress of projects to the Visual Effects Manager. Assigning visual effects tasks. Reviewing visual effects for quality control and brand standards. Providing feedback. Designing titles based on concept, script, or branding guidelines. Producing realistic visual effects using particles, animations, and 3d models. Delegating projects effectively and providing training.

Mindgeek, Montreal, Quebec — *Motion Graphic Artist, 2019-2020*

Designed engaging and highly creative titles based on a concept, script, or branding guidelines. Produced realistic visual effects using particles, animations, and 3d models. Conceptualized and designed elegant and clean illustrations for animations.

Freelance, Montreal, Quebec — *Motion Designer, 2018-Present*

Met with clients to discuss the scope of projects such as footage clean up for independent films, and animating diagrams for the Canadian Military. Created unique motion graphics for UI, video, and film for customers. Ensured 100 percent customer satisfaction.

The Workshop, Montreal, Quebec — *Motion Graphic Artist, 2017- 2018*

Created visually engaging motion graphics and animations for some of the world's biggest pop stars, hip hop artists, and musicians. Worked with 2 and 3 dimensional models. Performed motion tracking, rotoscoping, and compositing for advertisements as well as documentaries seen on the CBC and BBC.

ITTI JAPAN, Sakata, Yamagata — *Native English Teacher, 2015 - 2016*

Taught core curriculum to students 5 to 17 years old. Covered subjects such as Reading, Writing, Language Arts, and Verbal Communication. Created lesson materials. Prepared students for standardized tests. Worked independently, but collaborated with other faculty members on group activities. Provided students with a positive and pleasant English experience.
